

This technical map illustrates the geographical and administrative layout of the Canova area. Key features include:

- Geographical Labels:** 'Cana Roimero', 'Cana Saliceti', 'Canove', 'Cana Moretta', and 'Cana Catalana' are marked on the map.
- Infrastructure:** A network of roads is shown, including a prominent yellow road and a black road. A dashed line likely represents a railway or a specific administrative boundary.
- Colored Zones:**
 - Pink Zone:** A diagonal band running from the bottom left towards the top right.
 - Yellow Zone:** A network of lines following the road layout.
 - Blue Zone:** A large area on the right side, filled with blue diagonal hatching.
 - Red Zone:** A small, solid red rectangular area located in the center-right.
 - Green Zone:** A small, solid green circular area located near the top right.
- Topography:** Contour lines are visible, indicating elevation changes. Specific elevation points are marked with numbers like 141.4, 144.2, and 145.4.
- Scale and Orientation:** A scale bar is located at the bottom left, and a north arrow is positioned in the center-right.

 Area di rispetto di mt. 200 dai pozzi.
